

*** **Member To Member Specials & Discounts**

The following discounts are generously provided by chamber business members for the **benefit of other chamber members and their employees and business partners.**

These discounts are **not offered to the general public** and are controlled by the specific business making the offer.

Chamber members businesses may add their business offer to the Member To Member package at any time.

Likewise, businesses may also withdraw or adjust their offer at any time by notifying the chamber office.

To take advantage of these discounts, simply visit the participating business, ask for the Chamber Member to Member Discount and tell them which chamber business you are with.

These member benefits will be email broadcasted quarterly to all chamber member businesses, plus they will reside on the Franklin County Chamber website.

If you find the general public receiving a better offer, please let us know and we will do our best to get you the very best deal.

Thank you to the following participating chamber businesses:
